### Daytona:

Meet at 2:00 to leave.

Some said a tarp is not needed in Daytona. Charlie spoke about the need for enough parents to handle props in Daytona.

Castle folds up so transportation shouldn't be a problem. Charlie suggested for Eva to contact John Greene for help with prop construction and also expressed to Mr. Fulton that this is **urgent** because there are only 2 weekends left to get it done.

Packing for Daytona should be as minimal as possible. Be sure students have about \$30 per day for meals. Breakfast is NOT included in hotel fee.

T-shirt design was approved by the administration. Deadline for delivery from the printer is March 23rd.

Boosters will pay for students shirts only - total of 23.

Revised East Lake Band Booster Charter and Bylaws

Questions/Suggestions?

Amendments Charter and or Bylaws will be voted on (2/3 majority to accept ) at April Meeting.

Amended Charter and /or bylaws will then be voted on at May Meeting (2/3 majority to enact).

If no amendments are put forth, Revised Charter and /or Bylaws will be voted on at April Meeting (2/3 majority to enact).

A Suggestion of a Parliamentarian position to be added to the Booster Board Positions in the new Charter was voiced. Boosters discussed and were largely of the opinion not to add such a specific position to the new charter .
