2018

The East Lake Silver Sound Marching Band

Welcomes you to the

15th Annual East Lake Classic

Thank you for your continued support!

1300 Silver Eagle Drive ▪ Tarpon Springs, FL 34688

October 2018

Welcome to the 15th Annual Silver Sound Classic here at East Lake High School. Whether you are a performer, band director, instructor, parent, or just a fan of the Marching and Pageantry Arts, we hope you will have a great experience today!

Throughout the day, you will have the great privilege of enjoying what is ultimately a snapshot of a much larger experience for the hard-working students of these bands. Encapsulated in a seven-minute show are the hundreds of hours of rehearsal and individual practice, countless calls of “Reset!” and “One More Time!” Students have overcome personal obstacles to improve their performance – and themselves.

Though the goal of their efforts is to provide the audience with an exciting and engaging display of musical and visual artistry, we know that these students will accomplish so much more. Students learn the value of being able to be counted on and of counting on others. They learn responsibility for their actions. They learn to accept success with humility and how to move forward from failure with grace and purpose. They learn how to lead others, how to set the example, and how to do so with pride.

We encourage you to applaud and cheer at every moment which feels appropriate to you! There is no better feeling for these young people than to know that their efforts were recognized, appreciated, and enjoyed.

Thank you for supporting the arts in Pinellas County and the East Lake High School Silver Sound Marching Band!

Sincerely,

Ian Black

Welcome to the home of the East Lake *Silver Sound*, 7-time State Champions!

On behalf of the East Lake High School Silver Sound Marching Band and the East Lake Band Boosters, we welcome you to the 2018 East Lake Classic. This is our 15th Annual event and we are honored that your band has included us in your competition schedule. Our organization is committed to providing participating bands and guests with an enjoyable and rewarding competition experience. We have assembled an outstanding adjudication panel and are confident their reviews will be a valuable tool as your band moves toward Music Performance Assessments (MPA), Bands of America (BOA) competition, and the Florida Marching Band Coalition (FMBC) State Finals.

The East Lake Band students, staff, and boosters are proud to be part of the larger marching band community. Everyone here today shares many similarities. Our students spend long hours perfecting their shows with admirable enthusiasm. Making room in their schedules for this preparation requires strong time management skills and a genuine love for marching band. Guided by devoted directors and instructors, the students gain knowledge, expertise, experience, friendships, and life-long teamwork building foundations. Our community includes immediate, extended, past and present family members, neighbors, and local businesses. In addition to financial and moral support, the members of this community give hours of quality time to our students. We are thankful to have our band community assist with chaperoning, fundraising, concession stands, color guard, logistics, props, spirit wear, organizing paperwork, cleaning uniforms, attending booster meetings, and taking active roles as band booster coordinators and executives. As you can see, although we are from different towns and representing different schools, we are similar and in this together.

Thank you to all for attending the 15th Annual East Lake Classic. Please remember to show your enthusiastic support to all of tonight's participants.

Enjoy the show!

Sincerely,

East Lake Band Boosters Board of Directors

This production is inspired by Ernest Cline's novel Ready Player One. This production takes place in 2045 where much of humanity uses the virtual reality software OASIS to escape the desolation of the real world. It is an immersive virtual world where you can go anywhere, do anything, be anyone - the only limits are your own imagination.

Accomplishments: The Tarpon Springs Outdoor Performance Ensemble is just one of seven nationally accomplished performance ensembles that make up the Tarpon Springs Leadership Conservatory for the Arts at Tarpon Springs High School. In 2013 the band participated in the Macy's Thanksgiving Day Parade. The Tarpon Springs Color Guard was awarded the WGI Scholastic World Champions in both 2014 and 2016. The Tarpon Springs Wind Ensemble has performed at Carnegie Hall, Lincoln Center, the John F. Kennedy Performing Arts Center, and the Chicago Symphony Hall.
